

These documents show the number of employees since 1998 along with the total budget and number of calls for service in that years. This information has been given to the commissioners before when Dep. Lawrence and I presented requests in 2013 and 2014. Along with those documents are the amount of comp. time accumulated at the end of June 2015 and the cost of existing positions for 2015 all information that is known by the commissioners.
